

MAXHUB[®]

P22MB SMART LECTERN

**DEFINE
YOUR
STAGE**

MAXHUB SMART LECTURN P22MB

The MAXHUB Smart Lectern lets you set the stage with smart features like easy screen sharing, adjustable height, and touch screen annotation. The smart lectern allows you to annotate while facing the audience for improved engagement. Cast your presentation to a smart display, like the MAXHUB Raptor Series[®], through wireless screensharing. The two gooseneck microphones provide crisp sound quality so your audience can hear you in any situation. Set the smart lectern to the speakers height in seconds using electronically controlled height adjustments. MAXHUB strives to provide unprecedented quality, service and support. Our industry leading 3-year warranty gives you peace of mind knowing your products are always covered.
